

TOYAL AMERICA, INC.

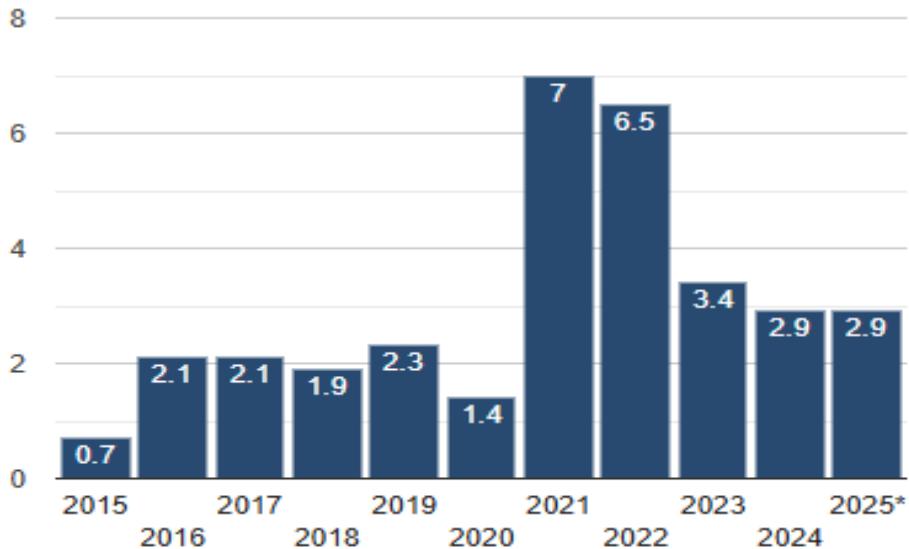

Date: October 14, 2025

PRICE INCREASE INFORMATION EFFECTIVE 01/01/2026

To: aluminum pigments customers.

Over the past 5 years, the USA has experienced significant inflation:

Chart: United States Annual Inflation Rates (2015 to 2025)

Factors such as labor costs, electrical costs, and solvent costs have caused a sharp increase in our production and raw material costs. While we have made every effort to absorb these higher costs, a price adjustment is essential for us to continue supplying you with the high-quality products you expect.
